

IMMUNIZATION INFORMATION FORM

Minimum immunization requirements for students entering DODDS schools are as follows:

DPT	4 doses, with at least one dose after age 4
DT or Tdap	booster at age 11, if 5 years since DPT and a booster every 10 years thereafter
HIB	2-4 doses in infancy (not required after age 5)
HEPATITIS B	3 doses
HEPATITIS A	2 dose (second shot 6 months after first shot)
POLIO	3 doses, with at least one dose after age 4
MENINGOCOCCAL	1 dose, age 11 and up
MMR	2 doses, with second dose after age 4
Varicella	If child is 12 and has not had chickenpox
PPD / TB	every _____ years *** (PPD / TB tests need to be read 48 hours after receiving vaccine)

*****VHS Base Clinic determines the frequency that the PPD / TB tests are performed due to current health conditions.**

THE CLINIC IMMUNIZATION HOURS ARE AS FOLLOWS:

Monday, Wednesday, and Friday from 13:00- 15:30

Immunization requires a 15-minute wait before leaving the clinic after an immunization has been given.
