

Vicenza Middle/High School

Black and Gold

Welcome to Vicenza Middle/High School, SY 2008-2009. I am very excited about joining an excellent team of teachers, staff, administrators and the community of Vicenza. I want the students to share this excitement with Mr. Beane and I as we enter into this school year.

It is important that students become involved in their high school. It is the students pride and spirit that makes Vicenza M/H School the winning team in the classroom and on the playing field. I am extremely impressed with our athletic teams, fine arts programs and academic extracurricular activities. The majority of our extracurricular coaches /sponsors are filled by Vicenza M/H School teachers, along with community volunteers. Our middle school and high school students have a voice through their elected members of student council.

I want to extend the voice to the parents and members of the Vicenza community. The administrative team has an “Open-Door” policy at Vicenza M/H School. Please stop by the school, so that we may discuss the academic success and achievements of our students. Parents need to be involved in their student’s academic and extra curricular experiences.

I have had a wonderful summer and I am ready to be a Cougar. Students as you return from your summer vacation ready to learn I challenge you to the following: (1) Show enthusiasm for learning and success will occur, (2) Have pride in yourself and your school and (3) Be a Cougar—have spirit—be involved. See you the first day!

COUGARS RULE!
